The State Room

Everything at The Establishment begins with well-sourced ingredients from sea and field. Through developing relationships with local farmers and fishermen, our ingredients will be consistently seasonal, fresh, and pure. Our menu will always reflect our clean, non-complex, and balanced approach, delivering a selection of thoughtful and refined cuisine.

When you enjoy the privacy of The State Room for your gathering, you will receive impeccable service and the best of Charleston cuisine. We will customize the menu for your event to suit your personal and group tastes.

Contact us today to let us know how we can assist you with your event.
